

A [Tropical Birding](#) SET DEPARTURE tour

PERU: Manu and Machu Picchu

3rd- 15th October 2023

TOUR LEADER: José Illanes

The obligatory group photo at **Machu Picchu** (Ann Oliver)

TOUR SUMMARY:**October 4th: Lima to Cusco (Huacarpay Lake).**

Chilean Flamingos near Cusco

The started with an evening meeting in Peru's capital, *Lima*, the night before, followed by a short morning flight to the mountain city of *Cusco* the next morning. Our driver *Daniel* and local contact *Gloria* were waiting for us on arrival, and we swiftly took off for our first birding spot, an hour's drive away, a high Andean lake at some 11,000ft above sea level. The lake held **Puna Teal**, **White-tufted Grebe**, **Cinnamon Teal**, **Chilean Flamingo** (*photo above*), **Slate-colored Coot**, **Andean Gull** and **Yellow-billed Teal**. With a little work we also found the smashing, multicolored **Many-colored Rush-tyrant** within the rushes bordering the lake, one of the most wanted birds among the participants, and one look at this species it is easy to understand why, it is an absolute thriller. **Plumbeous Rail** and **Wren-like Rushbird** also featured there. Walking along the lake edge afterwards, we managed to find **Blue-and-yellow Tanager**, **Band-tailed Seedeater**, **Andean Lapwing**, and the rare **Andean Negrito**.

We drove to another nearby location to take lunch in the field, when *Daniel* set up a convenient table with which to do so. This new spot produced other target birds, like **Puna Ibis**, **Giant Hummingbird**, the endemic **Rusty-fronted Canastero**, and always impressive **Black-tailed Trainbearer**. During a final birding pause of the day, near the main highway, we managed to see **Golden-billed Saltator**, **Black-backed Grosbeak**, **Black-throated Flowerpiercer**, and **Chestnut-bellied Mountain-Finch**, before we set off for our *Cusco* hotel, arriving just in time for Happy Hour!

The Plaza de Armas in Cusco

October 5th: Huancarani, Acjanaco & the Upper Manu Road.

Our main destination for the day was the upper part of the infamous *Manu Road*, a World-famous birding area. Before we reached there, though we stopped after a short time near *Huancarani* village finding **Yellow-billed Tit-Tyrant**, **Peruvian and Mourning Sierra-Finches**, and *Andean Tinamou* (thanks *Daniel*!). Once we started driving through a dry, Inter-Andean valley, we added **Andean Flicker** to our list too. Eventually, we arrived at *Acjanaco Pass*, which marks the start of *Manu National Park*, and where the best forested habitat begins.

Gould's Inca from the Upper Manu Road

Among the birds we spotted in the vicinity of the pass before lunch included the striking endemic **Creamy-crested Spinetail**, in addition to **Shining Sunbeam**, **Scarlet-bellied Mountain-Tanager**, **Puna Thistletail**, and **Moustached Flowerpiercer**. After lunch, we dropped down from the pass and found a great feeding flock along the roadside, which held **Black-faced Brushfinch**, **Crimson-mantled Woodpecker**, and **Hooded Mountain-Tanager**, while **Rufous-capped Thornbill** and **Tyrian Metaltail** came into imitations of the whistles of a local *pygmy-owl*. Then, we were surprised by seeing a superb **Gray-breasted Mountain-Toucan** perched prominently on a dead snag. We continued our downward journey along this winding mountain road, making stops as activity greeted us, one stop yielding **Pale-legged Warbler** and the gaudy **White-collared Jay**, and **Gould's Incas** (*photo above*), **Beryl-spangled Tanager**, **Blue-banded Toucanet** (*photo next page*), and a nesting **Golden-headed Quetzal**. Most of the rest of our time was taken up with driving towards our destination, *Cock-of-the-rock lodge*, which we arrived at shortly after seeing an **Andean Motmot** just above there to finish off a busy days birding along the *Manu Road*.

Blue-banded Toucanet from the *Manu Road*

October 6th: Cock of the Rock Lodge & the San Pedro Area

Our day began with one of the trip highlights, a visit to the famous **Andean Cock-of-the-rock** (*photo next page*), lek near the lodge, where stellar views of 8 males of this classic Andean bird in full display were achieved, as usual! It is also Peru's national bird. Also before breakfast, we encountered **Andean Motmot**, **Black-eared Hemispingus**, **Yungas Warbler**, and **Gray-mantled Wren**. During breakfast at our base, we examined the hummingbird feeders and were rewarded with **Sparkling Violetear**, **Violet-fronted Brilliant**, **Many-spotted Hummingbird**, **Green Hermit**, and **Fork-tailed Woodnymph**, while the *verbena* flowers in the garden attracted the attentions of the spectacular **Wire-crested Thorntail** and cute **Rufous-booted Racket-tail**. Some roadside birding after breakfast yielded **Versicolored Barbet**, **Crested Quetzal**, **White-eyed Parakeet**, **White-capped Dipper**, **Lemon-browed Flycatcher**, **Dusky-green Oropendola**, and, just above the lodge, a great look at a juvenile **Solitary Eagle**, which took some time to ID.

Andean Cock of the Rock from the *San Pedro Area*

After lunch, many took a siesta, while others watched the lodge feeders, seeing the same species that we had seen in the morning with the exception of a **Black-capped Capuchin** (*photo next page*). Some roadside birding after then produced some flocks with species like **Yellow-throated, Saffron-crowned, and Spotted Tanagers**, and **Golden-eyed Flowerpiercer**. Our driver tipped us off about a small private reserve with feeders nearby, which held species such as **Amethyst and White-bellied Woodstars, Bronzy Inca**, and noisy **Violet-fronted Brilliants**. We stayed until darkness fell to score a **Lyre-tailed Nightjar** to finish our day in some style.

Black-capped Capuchin at *Cock of the Rock Lodge*

October 7th: Cock of the Rock Lodge, Lower Manu Road to Manu Biological Station.

On this day we checked out of *Cock-of-the-rock Lodge*, though not before some final birding alongside the road near the lodge produced a family of **Torrent Duck** along the *San Pedro River* and **Two-banded Warbler**. Rain hindered our birding after that for a while, though once it had receded somewhat, we birded a roadside bamboo patch, and got **Chestnut-tipped Toucanet**, **Bluish-fronted Jacamar**, **Ornate Stipplethroat**, **Yellow-breasted Warbling-Antbird**, and an amazing view of **Black-streaked Puffbird** out of it. Flocks encountered in this same area also held **Orange-eared**, **Paradise**, **Golden-eared**, **Bay-headed**, and **Swallow Tanagers**, **Chestnut-backed Antshrike**, **Cinnamon-faced Tyrannulet**, and **Red-billed Scythebill**. *Daniel* found us a lunch spot lower down the road, and while he set up our spread, we went about finding **Amazonian Umbrellabird** and **Lanceolated Monklet**. After lunch, some final birding nearby produced **Peruvian Piedtail**, **Cuzco Warbler**, **McConnell's Flycatcher**, **Magpie Tanager**, and the rowdy **Violaceous Jay**.

Near the end of the afternoon, we arrived at our next lodge, at the edge of foothill forest with enough time for some final birding, **Spot-breasted** and **Yellow-tufted Woodpeckers**, **Red-capped Cardinal**, **Golden-bellied Euphonia**, and a small wetland had **Capped Heron**, **Green Kingfisher**, **Green Ibis**, **Brazilian Teal**, and **Hoatzin** (*photo below*). At the end of the day, before darkness fell one of the lodge staff led us a sleeping **Black-banded Owl** for the conclusion of the day.

Hoatzin at Manu Biological Station

October 8th: Manu Biological Station & Pico de Hoz Reserve.

This day mostly consisted of birding in and around the lodge. However, we started by visiting a private reserve, *Pico de Hoz*, named after the *sicklebill* hummingbird. This was not our first reason for being there though, as we checked in at an antpitta feeding station, with initially no success. Having given up on the *antpitta* after a considerable wait, an **Amazonian Antpitta** (*photo below*), finally started calling as we looking to leave and then came in and gave marvelous views after all!

We had marvelous views of this **Amazonian Antpitta** at *Pico de Hoz*

We walked a loop trail and were rewarded with **Black-throated Antbird**, **Rusty-fronted Tody-Flycatcher**, **Blue-crowned Trogon**, **Johanes Tody-Tyrant**, **Moustached Wren**, **White-lined Antbird**, and **Fine-barred Piculet**. A small pond also had **Little Cuckoo**, **Black-crowned Tityra**, **Amazon Kingfisher** around it. Meanwhile, the main building had a rich selection of *hummingbirds* including **Blue-fronted Lancebill**, **Blue-tailed** and **Sapphire-spangled Emeralds**, **Gray-breasted Sabrewing**, **Rufous-breasted** and **White-bearded Hermits**, **Black-throated**

Mango Long-billed Starthroat, Pale-tailed Barbthroat, Gould's Jewelfront, and the adorable Rufous-crested Coquette. From the front porch we also saw **Undulated Tinamou, Pectoral Sparrow, Fork-tailed Flycatcher, and King Vulture.** The same site also gave us a day roosting **Common Potoo, Southern Emerald Toucanet, and the handsome Chestnut-eared Aracari.**

We then returned to the lodge for lunch and a rest. Later, around the lodge we found **Turquoise Tanager, Gould's Jewelfront (photo below), and a surprise Spotted Tody-Flycatcher** (more typically associated with *river islands*). Deeper inside the forest, we found **Chestnut-tailed Antbird, Bluish-slate Antshrike, and the bamboo specialist, Manu Antbird.** Rain caused us to retreat to our cabins, when we could bird from the shelter of these, finding **Hoatzin, Chestnut-fronted Macaw, Blue-headed Parrot, and Little Woodpecker.** In spite of the afternoon rain, we finished the day with a good haul of birds!

Gould's Jewelfront from *Pico de Hoz Reserve*

October 9th: Manu Biological Station, Inkamazonia Reserve, & Cock-of-the-rock Lodge.

Sadly for us, this was to be our *final* full day in this area. Worse still, we woke up to heavy rain, limiting what we could do then. We did manage some birding right around the restaurant, where we saw **Blue-throated Piping-Guan**, **Orange-fronted Plushcrown**, **Red-capped Cardinal**, and by the pond, **Rufescent Tiger-Heron**, **Purplish Jay**, and the scarce **Scarlet-hooded Barbet** to finish off our time there. After that opener, we drove to another private reserve with great feeders, *Inkamazonia*. The rain continued through our visit there, though this did not stop us from building a handsome bird list, including **White-bearded Hermit**, **Fork-tailed Woodnymph**, **Blue-fronted Lancebill**, **Gould's Jewelfront**, **Golden-tailed Sapphire**, **Reddish Hermit**, **Sapphire-spangled Emerald**, **Violet-headed Hummingbird**, **Rufous-crested Coquette**, and **Gray-breasted Sabrewing** at the hummingbird feeders, and **Buff-tailed Sicklebill** (a *major* target for us there) at the local *Verbena* blooms. The fruit feeders were lively too, with **Green Honeycreeper**, **Blue and Yellow-bellied Dacnis**, **Buff-throated Saltator**, a pair of **Lemon-throated Barbets** (*photo below*), and **Silvered-beaked**, **Blue-necked**, **Turquoise Tanager** **Yellow-bellied** and **Masked Tanagers**.

Lemon-throated Barbet at Inkamazonia

After packing our bags, we noted **Yellow-crowned Parrot**, **Blue-gray Saltator**, **Double-collared Seedeater**, **Blue-headed Parrot**, **Streaked Xenops**, **Blue-black Grassquit**, and **Chestnut-bellied Seedeater** in open areas by the lodge. We then departed for *cock-of-the-rock lodge* once more, intending to bird some along the way but were thwarted in our attempts to do this by virtue of the continuing heavy rains. We sheltered at the lodge for a while, and then birded along the *Manu Road* nearby, seeing **Paradise**, **Spotted and Golden Tanagers**, **Tropical Parula**, **Orange-bellied Euphonia**, **Purple Honeycreeper**, **Ash-browed Spinetail**, **Blue-naped Chlorophonia**, and a difficult-to-see **Yungas Manakin**. The hummingbird feeders were visited upon by **Rufous-booted Racket-tail** (*photo below*), and **Violent-fronted Brilliant**, among others. The persistent rain had continued all day long, though thankfully due to some good sets of sheltered feeders, we were able to amass some good birds all the same!

Rufous-booted racket-tail

October 10th: The Upper Manu Road to Ollantaytambo.

Golden-headed Quetzal from the legendary *Manu Road*

On this day we retraced our steps back up the *Manu Road* to the upper part of this, as this was the elevation where we were missing the most species. As soon as we arrived at the appropriate altitude, we came across a feeding flock that held **Russet-and-yellow Tanager**, **Striped Treehunter**, **Capped Conebill**, **Barred Becard**, **Inca Flycatcher**, **Streaked Tuftedcheek**, **Versicolored Barbet**, **Three-striped Hemispingus**, **Montane Woodcreeper**, and **Common Chlorospingus**. A short drive upwards from there also produced **Andean Motmot**, **Andean Guan**, **Dusky-green Oropendola**, and a vociferous **White-collared Jay**. Later in the morning, we continued driving up higher, and came upon **Blue-capped Tanager**, **Spectacled Redstart**, **Fawn-breasted Tanager**, and, with a little effort, we were even able to see the shy endemic, **Red-and-white Antpitta**.

As we had some spare time, we visited *Wayquecha Biological Reserve*, noting species like **Long-tailed Sylph**, **Amethyst throated Sunangel**, **White-bellied Woodstar**, **Speckled Hummingbird**, and the scarce **Violet-throated Starfrontlet** at their feeders. Then, just before we called off our birding in the area, we got the stunning, **Scarlet-bellied and Hooded Mountain-Tanagers**, **Moustached and Masked Flowerpiercers**, **Puna Thistletail**, **Drab Hemispingus**, and **Grass-green and Blue-and-black Tanagers** and the striking **Golden-collared Tanager** (*photo below*), in a feeding frenzy. After that, we made the long drive to *Ollantaytambo* set within Peru's Sacred Valley.

The striking **Golden-collared Tanager** from *Upper Manu Road*

October 11th: Ollantaytambo, Abra Malaga Pass & Carrizales.

After a sit-down hot breakfast at our hotel, we drove up towards the highest site of the tour, Abra Malaga, that boasts a pass at 14,000ft/4270m. We started by birding lower than the pass, near a small settlement, where we found birds like the pass, **Peruvian Sierra-finch**, **Cream-winged Cinclodes**, **Spot-billed Ground-Tyrant**, and a **Glacier Finch** hopping up the hillside.

Higher still, we did a little bit of birding within *Polylepis* forest, picking up **Andean Ibis** and **Taczanowski's Ground-Tyrant** on the way there. A short period of birding within the high *polylepis* forest there yielded **Blue-mantled Thornbill** and the endemic **White-browed Thistletail**, before we decided to retreat to lower climes with the altitude telling on some of us. This site did produce some of the most impressive scenery of the entire tour with views of Veronica Peak visible from the pass. As we drove this highland highway, we were able to see some quintessential high Andean species like, **Andean Lapwing**, **Andean Goose (photo below)**, **Andean Gull**, and the majestic **Andean Condor** on the wing.

Andean Geese were seen at *Abra Malaga*

Birding the main highway is not perfect due to the traffic though it can be productive, and we came upon a small flock with **White-browed Conebill**, **Tit-like Dacnis**, **Tawny-rumped Tyrannulet**, and **Scarlet-bellied Mountain-Tanager**. Besides them, Jose's imitation of a pygmy-owl also secured us views of the owl itself, **Yungas pygmy-owl (photo page 16)**, while other birds like **Scaled Metaltail**, **Violet-throated Starfrontlet**, the bizarre **Sword-billed Hummingbird** and the **Rufous-breasted Chat-Tyrant** came in to mob the owl sound.

After some of us got brief views of the always elusive **Undulated Antpitta** (one of the hardest to see of all the Andean antpittas), we took lunch in the field. Some final birding in the area before we returned to *Ollantaytambo* produced some major targets like **White-tufted Sunbeam**, **Cuzco Brushfinch**, and **Marcapata Spinetail**, in addition to a treetop **Red-crested Cotinga**. Once back at our hotel, some of us did some late leisurely birding there, finding **Black-tailed** and **Green-tailed Trainbearers** and the bulky **Black-backed Grosbeak** to end the day shortly before the onset of happy hour at the bar!

Yungas Pygmy-Owl from the *Carrizales* area

October 12th: Ollantaytambo to Aguas Calientes & Machu Picchu.

Today was always set out to be one of the highlights of the entire tour, as were to visit one of the world's most famous and recognizable *World Heritage Sites*, the lost Incan city of *Machu Picchu*, a dream destination for many. In order to visit these world-famous ruins, we needed to take a train there, seeing **Blue-and-yellow Tanager**, **Black-backed Grosbeak**, **Yellow-billed Pintail**, and **Spot-winged Pigeon** before boarding.

The ruins and the location of *Machu Picchu* are breathtaking

The train ride itself is also a major highlight passing through astonishingly beautiful scenery on the journey to *Aguas Calientes*. It is also a renowned journey for seeing **Torrent Ducks**, as they reach a staggeringly high density in this area. We picked up an incredible 63 different ducks during the journey. **Andean Motmot** and **White-capped Dipper** also made an appearance during the ride. We had a short break on arrival at *Aguas Calientes* before entering the ruins, which provided time for people to do some souvenir shopping in the area and to take lunch there before we took one of the official buses to the ruins themselves, which were as impressive and majestic as always and wonderfully aided by a local cultural guide giving us in depth insights into the history and culture of them. *Machu Picchu* simply never gets old! There was quite limited birding at the ruins site, though we did see **American Kestrel**, **Highland Elaenia**, **Azara's Spinetail**, **Slate-throated Redstart**, and **White-collared and White-tipped Swifts**. We also made a special effort before leaving the area to add the endemic *Inca Wren* (*photo next page*) for which the site is a good hotspot! We stayed near *Aguas Calientes* for the night after a very enjoyable day of culture, history, and an endemic bird species!

Inca Wren from Machu Picchu

October 13th: Aguas Calientes to Cuzco.

We spent the morning birding the road towards *Machu Picchu* from *Aguas Calientes* and also the nearby railway track, seeing **Torrent Duck**, **Mitred Parakeed**, **Sclater's Tyrannulet**, **Beryl-spangled Tanager**, **Mottle-cheeked Tyrannulet**, **Tropical Parula**, **Variiegated Antshrike**, and the cute **Ocellated Piculet**. **Dusky-green Oropendola**, **Versicolored Barbet**, and **Gould's Inca** also featured too. The railtrack birding featured **White-bellied and Green-and-white** Hummingbirds, **Silvery Tanager**, **Russet-crowned Warbler**, and great looks of the shy **White-eared Solitaire**. We were also hoping for a **Masked Fruiteater** (*photo next page*) there and eventually were rewarded with good views of a male. We returned to our hotel before lunch in time for another bout of souvenir shopping and lunch at a restaurant in town with a good vista of the *Urubamba River*. After lunch, we took another train ride, and another train ride that featured **Torrent Ducks** (*photo next page*), as we returned to *Ollantaytambo* from where our driver then took us back to *Cuzco* for another night.

Masked Fruiteater from *Machu Picchu* & **Torrent Duck** on the *Urubamba River*

October 14th: Cuzco flight to Lima & Pucusana.

Red-legged Cormorant from *Pucusana*

Sadly, all too soon, the last birding day of the tour had come around. This consisted of us flying out of *Cuzco* in the morning back to the capital *Lima*. From there we made a trip out to *Pucusana* for a great seabird finale to the tour, as we took a boat trip into the harbor there. Our main focus was an off-shore islet, where masses of seabirds gather to breed, and we were afforded incredible views of a fine selection of pelagic birds including **Inca Terns** (*photo next page*), **Red-legged Cormorants** (*photo above*), and **Humboldt Pinguins**. The area also held **Belcher's and Gray Gulls**, **American and Blackish Oystercatchers**, **Peruvian Pelicans**, hundreds of **Peruvian Boobies**, and a very friendly **Eliot's Storm Petrel**. A few **Surfbirds** were also there too. After this boat trip and a tasty seafood lunch nearby we started our journey back to Lima for the end of the tour, though taking in some final birds along the way, such as some very well-hidden **Peruvian Thick-knees**, **Long-tailed Mockingbird**, **Amazilia Hummingbird**, **Scrub Blackbird** and a nice dose of waterbirds at *Pantanos de Villa*, which included **Cinnamon Teal** and **White-**

checked Pintail and a selection of shorebirds. The tour closed with one final farewell dinner together before our homeward, nighttime departures out of *Peru*.

Inca Tern from *Pucusana* fishing port

It had been an unforgettable trip, with **more than 400 bird species recorded** (just under 400 were seen by the group), and among them some memorable, marquee species, which were popular among the group like, **Red-and-white Antpitta, Andean Cock-of-the-rock, Lanceolated Monklet, Andean Flicker, Buff-tailed Sicklebill, Chilean Flamingo, Inca Tern, Torrent Duck, Humboldt Penguin, Scarlet-bellied Mountain-Tanager, Rufous-crested Coquette, Ocellated Piculet, Cuzco Brushfinch, Solitary Eagle, Rufous-booted Racket-tail, Golden-headed Quetzal, Golden-collared Tanager, Blue-banded Toucanet, Crimson-mantled Woodpecker, Lemon-throated Barbet, Manu Antbird, Andean Condor, Many-colored Rush-Tyrant, Sword-billed Hummingbird, Red-legged Cormorant, Eliot's Storm-Petrel, and Montane Foliage-gleaner!**

This juvenile **Solitary Eagle** was seen along the *Manu Road*

BIRD LIST

Bird taxonomy follows Clements, J. F., T. S. Schulenberg, M. J. Iliff, S. M. Billerman, T. A. Fredericks, J. A. Gerbracht, D. Lepage, B. L. Sullivan, and C. L. Wood. 2022. Foothill Screech-Owl	<i>Megascops roraimae</i>	H
Tawny-bellied Screech-Owl	<i>Megascops watsonii</i>	H
Yungas Pygmy-Owl	<i>Glaucidium bolivianum</i>	
Black-banded Owl	<i>Strix huhula</i>	
TROGONS	TROGONIDAE	
Golden-headed Quetzal	<i>Pharomachrus auriceps</i>	
Crested Quetzal	<i>Pharomachrus antisianus</i>	
Black-tailed Trogon (Black-tailed)	<i>Trogon melanurus</i>	
Blue-crowned Trogon	<i>Trogon curucui</i>	
Masked Trogon	<i>Trogon personatus</i>	H
MOTMOTS	MOMOTIDAE	
Andean (Highland) Motmot	<i>Momotus aequatorialis</i>	
KINGFISHERS	ALCEDINIDAE	
Ringed Kingfisher	<i>Megaceryle torquata</i>	
Amazon Kingfisher	<i>Chloroceryle amazona</i>	
Green Kingfisher	<i>Chloroceryle americana</i>	
PUFFBIRDS	BUCCONIDAE	
Western Striolated-Puffbird	<i>Nystalus obamai</i>	H
Black-streaked Puffbird	<i>Malacoptila fulvogularis</i>	
Lanceolated Monklet	<i>Micromonacha lanceolata</i>	
Black-fronted Nunbird	<i>Monasa nigrifrons</i>	
Swallow-winged Puffbird	<i>Chelidoptera tenebrosa</i>	GO
JACAMARS	GALBULIDAE	
Bluish-fronted Jacamar	<i>Galbula cyanescens</i>	
NEW WORLD BARBETS	CAPITONIDAE	
Lemon-throated Barbet (Flame-throated)	<i>Eubucco richardsoni</i>	
Scarlet-hooded Barbet	<i>aurantiicollis</i>	
Versicolored Barbet (Blue-moustached)	<i>Eubucco tucinkae</i>	
	<i>Eubucco versicolor versicolor</i>	
TOUCANS	RAMPHASTIDAE	
Southern Emerald-Toucanet (Black-throated)	<i>Aulacorhynchus albivitta atrogularis</i>	
Chestnut-tipped Toucanet	<i>Aulacorhynchus derbianus</i>	
Blue-banded Toucanet	<i>Aulacorhynchus coeruleicinctis</i>	
Gray-breasted Mountain-Toucan	<i>Andigena hypoglauca</i>	
Chestnut-eared Aracari	<i>Pteroglossus castanotis</i>	

WOODPECKERS

Ocellated Piculet
 Fine-barred Piculet
 Yellow-tufted Woodpecker
 Little Woodpecker
 Golden-olive Woodpecker
 Crimson-mantled Woodpecker (Black-crowned)
 Spot-breasted Woodpecker
 Andean Flicker (Southern)

FALCONS AND CARACARAS

Barred Forest-Falcon
 Mountain Caracara
 American Kestrel (South American)
 Peregrine Falcon (South American)

NEW WORLD AND AFRICAN PARROTS

Blue-headed Parrot (Blue-headed)
 Yellow-crowned Parrot
 Scaly-naped Parrot
 Dusky-headed Parakeet
 Chestnut-fronted Macaw
 Mitred Parakeet
 White-eyed Parakeet

TYPICAL ANTBIRDS

Bamboo Antshrike
 Chestnut-backed Antshrike
 Variable Antshrike
 Plain Antwreio
 Bluish-slate Antshrike
 Ornate Stipplethroat(Western)
 Pygmy Antwren
 Stripe-chested Antwren
 Yellow-breasted Antwren
 Yellow-breasted Warbling-Antbird
 Manu Antbird

PICIDAE

Picumnus dorbignyanus
Picumnus subtilis
Melanerpes cruentatus
Veniliornis passerinus
Colaptes rubiginosus H
Colaptes rivolii atriceps
Colaptes punctigula
Colaptes rupicola puna

FALCONIDAE

Micrastur ruficollis H
Daptrius megalopterus
Falco sparverius peruvianus
Falco peregrinus cassini

PSITTACIDAE

Pionus menstruus menstruus
Amazona ochrocephala nattereri
Amazona mercenarius
Aratinga weddellii
Ara severus
Aratinga mitrata
Aratinga leucophthalma

THAMNOPHILIDAE

Cymbilaimus sanctaemariae H
Thamnophilus palliatus
Thamnophilus caerulescens
Dysithamnus mentalis
Thamnomanes schistogynus
Epinecrophylla ornata meridionalis
Myrmotherula brachyura H
Myrmotherula longicauda
Herpsilochmus axillaris
Hypocnemis subflava
Cercomacra manu

Western Fire-eye	<i>Pyriglena maura</i>	H
White-lined Antbird	<i>Percnostola lophotes</i>	
Chestnut-tailed Antbird (hemimelaena)	<i>Sciaphylax hemimelaena hemimelaena</i>	
Goeldi's Antbird	<i>Myrmeciza goeldii</i>	H
Black-throated Antbird	<i>Myrmeciza atrothorax</i>	
ANTPITTAS	GRALLARIIDAE	
Undulated Antpitta	<i>Grallaria squamigera</i>	
Red-and-white Antpitta	<i>Grallaria erythroleuca</i>	
Urubamba Antpitta	<i>Grallaria occabambae occabambae</i>	
Amazonian Antpitta	<i>Hylopezus berlepschi</i>	
TAPACULOS	RHINOCRYPTIDAE	
White-crowned Tapaculo (Atratus)	<i>Scytalopus atratus</i>	H
Puna Tapaculo	<i>Scytalopus simonsi</i>	H
Diademed Tapaculo	<i>Scytalopus schulenbergi</i>	H
ANTTHRUSHES	FORMICARIIDAE	
Rufous-breasted Antthrush	<i>Formicarius rufipectus</i>	H
Barred Antthrush	<i>Chamaeza mollissima</i>	H
OVENBIRDS AND WOODCREEPERS	FURNARIIDAE	
Tyrannine Woodcreeper	<i>Dendrocincla tyrannina</i>	H
Straight-billed Woodcreeper	<i>Dendroplex picus</i>	H
Red-billed Scythebill	<i>Campylorhamphus trochilirostris napensis</i>	
Montane Woodcreeper	<i>Lepidocolaptes lacrymiger</i>	
Plain Xenops	<i>Xenops minutus</i>	
Streaked Xenops	<i>Xenops rutilans</i>	
Streaked Tuftedcheek	<i>Pseudocolaptes boissonneautii</i>	
Pale-legged Hornero (Pale-legged)	<i>Furnarius leucopus tricolor</i>	
Wren-like Rushbird	<i>Phleocryptes melanops</i>	
Cream-winged (Bar-winged) Cinclodes	<i>Cinclodes albiventris</i>	
White-winged Cinclodes	<i>Cinclodes atacamensis</i>	
Dusky-cheeked Foliage-gleaner	<i>Anabazenops dorsalis</i>	H
Cinnamon-rumped Foliage-gleaner	<i>Philydor pyrrhodes</i>	H
Montane Foliage-gleaner	<i>Anabacerthia striaticollis</i>	
Striped Treehunter	<i>Thripadectes holostictus</i>	
Black-billed Treehunter	<i>Thripadectes melanorhynchus</i>	H
Spotted Barbtail	<i>Premnoplex brunnescens</i>	H
Pearled Treerunner	<i>Margarornis squamiger</i>	

White-browed Tit-Spinetail	<i>Leptasthenura xenothorax</i>	
Streak-fronted Thornbird	<i>Phacellodomus striaticeps</i>	H
Puna Thistletail	<i>Asthenes helleri</i>	
Rusty-fronted Canastero	<i>Asthenes ottonis</i>	
Orange-fronted Plushcrown	<i>Metopothrix aurantiaca</i>	
Marcapata Spinetail (Rufous-crowned)	<i>Cranioleuca marcapatae marcapatae</i>	
Creamy-crested Spinetail	<i>Cranioleuca albicapilla</i>	
Ash-browed Spinetail	<i>Cranioleuca curtata</i>	
Plain-crowned Spinetail	<i>Synallaxis gujanensis</i>	H
Cabanis's Spinetail	<i>Synallaxis cabanisi</i>	H
Azara's Spinetail	<i>Synallaxis azarae</i>	
MANAKINS	PIPRIDAE	
Yungas Manakin	<i>Chiroxiphia boliviana</i>	
COTINGAS	COTINGIDAE	
Masked Fruiteater	<i>Pipreola pulchra</i>	
Red-crested Cotinga	<i>Ampelion rubrocristatus</i>	
Andean Cock-of-the-rock	<i>Rupicola peruvianus</i>	
Amazonian Umbrellabird	<i>Cephalopterus ornatus</i>	
TYRANT FLYCATCHERS	TYRANNIDAE	
Many-colored Rush Tyrant	<i>Tachuris rubrigastra</i>	
Streak-necked Flycatcher	<i>Mionectes striaticollis</i>	
Olive-striped Flycatcher (Olive-striped)	<i>Mionectes olivaceus fasciaticollis</i>	
McConnell's Flycatcher (Inambari)	<i>Mionectes macconnelli peruanus</i>	
Sepia-capped Flycatcher	<i>Leptopogon amaurocephalus</i>	
Slaty-capped Flycatcher (albidiventris)	<i>Leptopogon superciliaris albidiventer</i>	
Inca Flycatcher	<i>Leptopogon taczanowskii</i>	
Marble-faced Bristle-Tyrant	<i>Pogonotriccus ophthalmicus</i>	
Mottle-cheeked Tyrannulet	<i>Phylloscartes ventralis</i>	
Cinnamon-faced Tyrannulet	<i>Phylloscartes parkeri</i>	
Scale-crested Pygmy-Tyrant	<i>Lophotriccus pileatus</i>	H
Flammulated Pygmy-Tyrant (Bamboo-Tyrant)	<i>Hemitriccus flammulatus</i>	H
Johannes's Tody-Tyrant	<i>Hemitriccus iohannis</i>	
Rusty-fronted Tody-Flycatcher	<i>Poecilatriccus latirostris</i>	
Spotted Tody-Flycatcher	<i>Todirostrum maculatum</i>	
Yellow-browed Tody-Flycatcher	<i>Todirostrum chrysocrotaphum</i>	
Yellow-olive Flycatcher (inornatus)	<i>Tolmomyias sulphurescens inornatus</i>	

Olive-faced Flycatcher	<i>Tolmomyias viridiceps subsimilis</i>
Cinnamon Flycatcher (Andean)	<i>Pyrrhomyias cinnamomeus cinnamomeus</i>
White-banded Tyrannulet	<i>Mecocerculus stictopectus</i>
White-throated Tyrannulet	<i>Mecocerculus leucophrys</i>
Yellow-billed Tit-Tyrant	<i>Anairetes flavirostris</i>
Forest Elaenia	<i>Myiopagis gaimardii</i>
Mottle-backed Elaenia	<i>Elaenia gigas</i>
Highland Elaenia (Highland)	<i>Elaenia obscura obscura</i>
Yellow-bellied Elaenia	<i>Elaenia flavogaster</i>
White-crested Elaenia (White-crested)	<i>Elaenia albiceps urubambae</i>
Sierran Elaenia (Andean)	<i>Elaenia pallatangae intensa</i>
Torrent Tyrannulet	<i>Serpophaga cinerea</i>
Sclater's Tyrannulet	<i>Phyllomyias sclateri</i>
Ashy-headed Tyrannulet	<i>Phyllomyias cinereiceps</i>
Tawny-rumped Tyrannulet	<i>Phyllomyias uropygialis</i>
Bolivian Tyrannulet	<i>Zimmerius bolivianus</i>
Olive-sided Flycatcher	<i>Contopus cooperi</i>
Smoke-colored Pewee	<i>Contopus fumigatus</i>
Western Wood-Pewee	<i>Contopus sordidulus</i>
Black Phoebe (White-winged)	<i>Sayornis nigricans angustirostris</i>
Vermilion Flycatcher (Austral)	<i>Pyrocephalus rubinus rubinus</i>
Andean Negrilo	<i>Lessonia oreas</i>
Spot-billed Ground-Tyrant	<i>Muscisaxicola maculirostris</i>
Taczanowski's Ground-Tyrant	<i>Muscisaxicola griseus</i>
Rufous-naped Ground-Tyrant (Rufous-naped)	<i>Muscisaxicola rufivertex occipitalis</i>
Streak-throated Bush-Tyrant	<i>Myiotheretes striaticollis</i>
Rufous-breasted Chat-Tyrant	<i>Ochthoeca rufipectoralis</i>
Long-tailed Tyrant	<i>Colonia colonus</i>
Short-crested Flycatcher	<i>Myiarchus ferox</i>
Great Kiskadee	<i>Pitangus sulphuratus</i>
Boat-billed Flycatcher (South American)	<i>Megarynchus pitangua pitangua</i>
Social Flycatcher (Social)	<i>Myiozetetes similis similis</i>
Gray-capped Flycatcher	<i>Myiozetetes granadensis</i>
Lemon-browed Flycatcher	<i>Conopias cinchoneti</i>
Golden-crowned Flycatcher	<i>Myiodynastes chrysocephalus</i>
Streaked Flycatcher (Southern)	<i>Myiodynastes maculatus solitarius</i>

Piratic Flycatcher

Tropical Kingbird

Eastern Kingbird

Fork-tailed Flycatcher

VIREOS, SHRIKE-BABLERS AND ERPORNIS

Brown-capped Vireo

Chivi Vireo (resident)

Yellow-green Vireo

CROWS, JAYS, AND MAGPIES

White-collared Jay

Purplish Jay

Violaceous Jay

SWALLOWS

Blue-and-white Swallow

Brown-bellied Swallow

Southern Rough-winged Swallow

White-winged Swallow

Barn Swallow (American)

WRENS

Scaly-breasted Wren (Southern)

Gray-mantled Wren

House Wren (Southern)

Mountain Wren

Inca Wren

Moustached Wren

Gray-breasted Wood-Wren (Andean)

Chestnut-breasted Wren (Southern)

DIPPERS

White-capped Dipper

MOCKINGBIRDS AND THRASHERS

Long-tailed Mockingbird

THRUSHES AND ALLIES

Andean Solitaire (ralloides)

Speckled Nightingale-Thrush

White-eared Solitaire

Hauxwell's Thrush

Legatus leucophaeus

Tyrannus melancholicus

Tyrannus tyrannus

Tyrannus savana

VIREONIDAE

Vireo leucophrys

Vireo chivi solimoensis

Vireo flavoviridis

CORVIDAE

Cyanolyca viridicyanus

Cyanocorax cyanomelas

Cyanocorax violaceus

HIRUNDINIDAE

Pygochelidon cyanoleuca

Orochelidon murina

Stelgidopteryx ruficollis

Tachycineta albiventer

Hirundo rustica erythrogaster

TROGLODYTIDAE

Microcerculus marginatus marginatus H

Odontorchilus branickii

Troglodytes aedon carabayae

Troglodytes solstitialis

Pheugopedius eisenmanni

Pheugopedius genibarbis

Henicorhina leucophrys leucophrys

Cyphorhinus thoracicus thoracicus H

CINCLIDAE

Cinclus leucocephalus

MIMIDAE

Mimus longicaudatus

TURDIDAE

Myadestes ralloides ralloides

Catharus maculatus maculatus H

Entomodestes leucotis

Turdus hauxwelli

Black-billed Thrush (Amazonian)

Great Thrush

Chiguanco Thrush (chiguanco/conradi)

OLD WORLD SPARROWS

House Sparrow

WAGTAIL AND PIPITS

Paramo Pipit

FINCHES, EUPHONIAS, AND ALLIES

Blue-naped Chlorophonia

Thick-billed Euphonia (Thick-billed)

Golden-bellied (White-lored) Euphonia

Bronze-green Euphonia

Orange-bellied Euphonia

Hooded Siskin

Olivaceous Siskin

NEW WORLD SPARROW

Yellow-throated Chlorospingus (Yellow-throated)

Common Chlorospingus (Southern Peru)

Yellow-browed Sparrow

Pectoral Sparrow (Pectoral)

Chestnut-capped Brushfinch (Chestnut-capped)

Rufous-collared Sparrow (Rufous-collared)

Cuzco Brushfinch

Black-faced (Gray-eared) Brushfinch

TROUPIALS AND ALLIES

Russet-backed Oropendola (Russet-backed)

Dusky-green Oropendola

Crested Oropendola

Olive Oropendola (Amazonian)

Solitary Black Cacique

Yellow-rumped Cacique (Amazonian)

Mountain Cacique (Bolivian)

Scrub Blackbird

Yellow-winged Blackbird

Turdus ignobilis debilis

Turdus fuscater

Turdus chiguanco chiguanco

PASSERIDAE

Passer domesticus

MOTACILLIDAE

Anthus bogotensis

H

FRINGILLIDAE

Chlorophonia cyanea

Euphonia laniirostris zopholega

Euphonia chrysopasta

Euphonia mesochrysa

Euphonia xanthogaster

Spinus magellanicus

Spinus olivaceus

PASSERELLIDAE

Chlorospingus flavigularis flavigularis

Chlorospingus flavopectus peruvianus

Ammodramus aurifrons

Arremon taciturnus nigrirostris

Arremon brunneinucha frontalis

Zonotrichia capensis peruviansis

Atlapetes canigenis

Atlapetes melanolaemus

ICTERIDAE

Psarocolius angustifrons alfredi

Psarocolius atrovirens

Psarocolius decumanus

Psarocolius bifasciatus yuracares

Cacicus solitarius

H

Cacicus cela cela

Cacicus chrysonotus

chrysonotus

Dives warszewiczi

Agelasticus thilius

NEW WORLD WARBLERS

Tropical Parula (South American)
 Blackburnian Warbler
 Yungas Warbler
 Pale-legged Warbler
 Two-banded Warbler (Two-banded)
 Cuzco Warbler
 Russet-crowned Warbler
 Slate-throated Redstart (Whitestart)
 Spectacled Redstart (Whitestart)

CARDINALS AND ALLIES

Black-backed Grosbeak
 Amazonian Grosbeak

TANAGERS, AND ALLIES

Red-capped Cardinal (Red-capped)
 Magpie Tanager
 Black-eared Hemispingus (Black-eared)
 Rust-and-yellow Tanager
 Superciliaried Hemispingus (urubambae)
 Three-striped Hemispingus
 Silver-beaked Tanager
 Hooded Mountain-Tanager
 Grass-green Tanager
 Scarlet-bellied Mountain-Tanager (Fire-bellied)
 Chestnut-bellied Mountain-Tanager
 Yellow-throated Tanager
 Golden-collared Tanager
 Fawn-breasted Tanager
 Blue-and-yellow Tanager (Green-mantled)
 Orange-eared Tanager (Blue-throated)
 Blue-gray Tanager (White-edged)
 Palm Tanager
 Blue-capped Tanager
 Yellow-bellied Tanager
 Spotted Tanager
 Golden-naped Tanager (Rusty-naped)

PARULIDAE

Setophaga pitiayumi pacifica
Setophaga fusca
Basileuterus punctipectus inconspicuus
Myiothlypis signata
Myiothlypis bivittata bivittata
Myiothlypis chrysogaster
Myiothlypis coronata
Myioborus miniatus
Myioborus melanocephalus

CARDINALIDAE

Pheucticus aureoventris
Cyanoloxia rothschildii

THRAUPIDAE

Paroaria gularis gularis
Cissopis leverianus
Sphenopsis melanotis castaneicollis
Thlypopsis ruficeps
Thlypopsis superciliaris urubambae
Hemispingus trifasciatus
Ramphocelus carbo
Buthraupis montana
Chlorornis riefferii
Anisognathus igniventris igniventris
Delothraupis castaneoventris GO
Iridosornis analis
Iridosornis jelskii
Pipraeidea melanonota
Pipraeidea bonariensis darwinii
Chlorochrysa calliparaea fulgentissima
Thraupis episcopus urubambae
Thraupis palmarum
Thraupis cyanocephala
Tangara xanthogastra
Tangara punctata
Tangara ruficervix inca

Silvery Tanager	<i>Tangara viridicollis</i>	
Masked Tanager	<i>Tangara nigrocincta</i>	
Blue-necked Tanager	<i>Tangara cyanicollis</i>	
Beryl-spangled Tanager	<i>Tangara nigroviridis</i>	
Turquoise Tanager (Turquoise)	<i>Tangara mexicana boliviana</i>	
Paradise Tanager	<i>Tangara chilensis</i>	
Bay-headed Tanager (Bay-and-blue)	<i>Tangara gyrola catharinae</i>	
Golden-eared Tanager	<i>Tangara chrysotis</i>	
Saffron-crowned Tanager	<i>Tangara xanthocephala</i>	
Golden Tanager (pulchra Group)	<i>Tangara arthus sophiae</i>	
Swallow Tanager	<i>Tersina viridis</i>	
Yellow-bellied Dacnis	<i>Dacnis flaviventer</i>	
Blue Dacnis	<i>Dacnis cayana</i>	
Purple Honeycreeper	<i>Cyanerpes caeruleus</i>	
Green Honeycreeper	<i>Chlorophanes spiza</i>
